

## **CMG Talent - New Member Package**

**WHO WE ARE:** CMG Talent, Inc. was created in 2005 to help facilitate stunt coordinators and stunt performers. Carefully selected members of the stunt community are chosen to be a part of our group of experienced stunt performers. CMG is providing a professional, web-based service to both the stunt coordinators, stunt performers, and production companies.

**OUR OBJECTIVES:** On film, television, and commercial productions, the stunt coordinator typically receives requests to cast particular stunt roles. Rather than couriering head shots and resumes to production and casting, the stunt coordinators will refer directors, producers, and casting directors directly to the website to view selected headshots. This will not only provide faster access but also remote access on set or on location.

**BENEFITS TO THE STUNT PERFORMER:** 1) your headshot will be readily available for casting roles 2) you no longer have to do headshot mailings 3) remote access to your headshot and information (eg. LA based coordinators working in New York, Non-New York filming locations, and LA based shoots.)

**OTHER SERVICES:** In addition to getting your face out there on a widely accessed website, CMG Talent will provide immediate access to: 1) your contact information for the AD staff and production 2) day player contract information 3) wardrobe, hair and makeup information. Think of this... less contract errors, less accounting problems, less trading calls with the coordinator, production, and wardrobe. And do you know how many times you don't get put up for roles because a coordinator doesn't have a copy of your headshot or isn't sure of your sizes – probably a lot?

**COST TO YOU:** CMG is being run on a non-profit basis dedicated, not to making money, but to facilitating stunt coordinators and stunt performers. We are working with an excellent web design company and we have negotiated a very reasonable rate. Each new member will pay \$175 CMG for the initial posting with the site. The \$175 fee is fully tax deductible. After the initial year of membership, the cost to you will only be \$100 per year to maintain the website and your membership. It's an extremely reasonable price for a great service. Headshot mailings alone should outweigh this cost.

**WHAT YOU NEED TO EMAIL US @ [cmgtalent@gmail.com](mailto:cmgtalent@gmail.com) :**

- 1) a completed Performer's Information Form (see next page)
- 2) a PDF, JPEG or TIFF file of your electronic headshot
- 3) a copy of your resume in Word or as a PDF

As soon as we receive everything, your application will be considered for membership.

**RESUME OR HEADSHOT UPDATES / DIGITAL REELS:**
